

CLAIMS:

1. A method for displaying photo pages on the Internet, the method comprising the steps of:
 - (a) displaying a template having a plurality of page layouts on the Internet;
 - (b) displaying a template having a plurality of styles for the page layouts on the Internet;
 - (c) after selection by a user of the page layout and style, displaying the selected combination of the page layout and style for forming a selected photo page on the Internet; and
 - (d) inserting one or more images that are selected by the user into the selected photo page.
2. The method as in claim 1 further comprising the step of (e) inserting text that is input by the user and that is associated with one or more of the images onto the photo page.
3. The method as in claim 2 further comprising the step of (f) displaying a preview photo page of steps (a) through (e) on the Internet.
4. The method as in claim 1, wherein step (a) includes displaying thumbnail images of the page layouts.
5. A method for displaying photo pages on the Internet, the method comprising the steps of:
 - (a) displaying a template having a plurality of page layouts on the Internet;
 - (b) after selection by a user of the page layout, displaying the selected page layout for forming a selected photo page on the Internet; and
 - (c) inserting one or more images that are selected by the user into the selected photo page.

6. The method as in claim 5 further comprising the step of (d) inserting text that is input by the user and that is associated with one or more of the images onto the photo page.

7. The method as in claim 6 further comprising the step of (e) displaying a preview photo page of steps (a) through (d) on the Internet.

8. A method for displaying photo pages on the Internet, the method comprising the steps of:

(a) displaying a template having a plurality of styles for a page layout on the Internet;

(b) after selection by a user of the style, displaying the selected style for forming a selected photo page on the Internet; and

(c) inserting one or more images that are selected by the user into the selected photo page.

9. The method as in claim 8 further comprising the step of (d) inserting text that is input by the user and that is associated with one or more of the images onto the photo page.

10. The method as in claim 9 further comprising the step of (e) displaying a preview photo page of steps (a) through (d) on the Internet.
